

# 日毓光電股份有限公司

## --AS... Series Data Sheet

## Description

- High brightness LED lighting technology

- Advanced heat management technology(LED Tj value<55°C, Environment Temp. 25 °C)
- Slightly to 5.5Kg only,
- Warm White 3000K/Cool White 6000K
- Waterproof protection : IP65 compliance
- Operating air temperature -20~50°C(-4~122°F)
- Safer Operation : Equips with fuse and flame retardant plastics
- Universal power voltage performance : operate within 90-264V ranges
- 20'ft(ctn)=1,200pcs, 40'ft(ctn)=2,400pcs

Features/Model	AS60W	AS60C
Light Source	High-Brightness LED Emitters	
Usable Lumens(lm)	2200	2600
Color Temp	3000K	6000K
Power Con.	60W	60W
Heat Dissipation	Exclusively Nano-Carbon Tube Thermal Radiant Tech.(Surface Painting)	
Design Advantage	Slim/Slight/Fashion	
Tj Temp.	<60	<60
Operating Temp.	-20~50°C(-4~122°F)	
Weight(Kg)	3.5Kg	3.5Kg
License	3C/UL/CE/CNS(Approving)	
Life Hours	50,000Hrs	50,000Hrs

- Luminous Intensity Distribution Curve
